

Exit switch

EB103

The EB103 is a new mechanical push-button switch that is made of a luminum.It has the characteristics of small size, exquisite appearance, economical application, high cost performance, etc.Used in the field of access control security, electronic access control systems, etc.

Specifications

Switching voltage	DC 12 ~ 24V	Operation method	Self-replicating
Rated current	5A	Explosion-proof grade	IK10
Operating temperature	-20°C ~ +50°C	shell material	T=4mm aluminum plate
storage temperature	-20°C ~ +65°C	Surface treatment	Printed black characters + vertical drawing
Working humidity	10%-90%	Product Size	Length 115* width 70* height 35mm plate thickness 4mm
Buck mode	Built-in step-down resistor
